COMPANY OVERVIEW

JEMNI Inc. is a Service-Disabled Veteran-Owned Small Business and packaging distribution partner to government agencies, aerospace and pharmaceutical customers. We deliver customized, compliant packaging, labeling, paper and facility supply solutions, with efficient sourcing and supply chain management that helps buyers meet their mission and their diverse-spend goals.

CORE COMPETENCIES

- **Packaging & Packaging Design:** Custom, compliant packaging from concept and design to finished product, with engineering support; corrugated, ESD-safe and anti-static packaging, VCI and cleanroom poly bags, thermoformed trays, dividers, pouches and custom foam inserts.
- **Labels:** Shipping, product, compliance and patient-centric labeling – a one-stop shop for packaging and labeling.
- **Paper/Fiber Products & Printing:** Patient document paper, post-consumer-waste and recycled papers, plus printing and graphic imaging from envelopes and letterhead to catalogs.
- **Kitting & Small Assembly:** Kitting, assembly, pick, pack and ship services.
- **Sourcing, Logistics & Distribution:** Warehousing, 3PL/4PL, transportation and distribution management, and program management through a partner network of 17 design & engineering facilities across the U.S. and 160+ warehousing locations CONUS-wide.
- **Facility Solutions & Supply:** Chemicals, towel, tissue and hygiene systems, cleaning products, floor care, high-absorbency cleanroom wipers and low-lint cheesecloth.

DIFFERENTIATORS

- **Veteran-owned and led:** certified SDVOSB, DOBE and SDVBE – named NaVOBA's 2023 Service-Disabled Veteran's Business Enterprise of the Year.
- **Easy to buy:** GSA MAS contract GS-02F-040GA (SINs 322220, 3PACK) for streamlined federal ordering.
- **One source, many categories:** packaging, labels, paper and facility supply from a single accountable partner.
- **Global reach, local expertise:** scalable national capacity through strategic partnerships, with hands-on veteran-led service.
- **Built for regulated environments:** customized, compliant solutions for federal pharmacy, healthcare, defense and aerospace requirements.

PAST PERFORMANCE & CUSTOMERS
